

National Railway Heritage Awards Entry Form 2019

The entrant must clearly specify which part(s) of their premises are the subject of their entry so that the judges can direct their inspection accordingly and the Adjudicators know what they are assessing.

Please

- o complete all relevant sections of the entry form. (NB. ONLY this electronic version of the Entry Forms will be acceptable as a valid entry)
- o Electronically upload supporting materials and photographs wherever possible. If you need to upload more, please repeat the process. (NB. A few photographs prior to the commencement of work are particularly important as this enables us to understand what has been achieved. Similarly please supply any aerial scheme photographs if available)
- o If you have material that cannot be uploaded, please send to the Joint Chairman of Judges, Clive Baker at 8 Short Drove, Downham Market, Norfolk, PE38 9PT
- o If you have any queries regarding the entry, please contact Clive Baker on 01366 385554 or at clive.baker@nrha.org.uk
- o The closing date for entries is Sunday 19th May 2019. (NB. If the entry is received after this date, or it is apparent that the scheme is incomplete, we will try and be flexible regarding the entry but may need to 'hold it over' until the 2020 competition)

* Required

1 FULL TITLE OF ENTRY

1. Full title of entry *

2 ENTRANT

NOTES:

(1) Any entry by a sub-group of a heritage railway shall send confirmation that it is made with consent and approval of the parent railway company

(2) Where an entry is submitted by a contractor/architect confirmation must be submitted that the client's approval for the submission has been obtained.

2. organisation *

3. individual or officer making the entry *

4. address

5. phone

6. e-mail *

7. press office contact

include name, telephone and email (if applicable)

8. individual to whom the Awards ceremony invitation should be addressed.

include name, status and/or title, postal address, telephone and email (if applicable)

3 VIEWING THE ENTRY

Judging is usually undertaken by two judges during the period June to mid August. We require our judges to be accompanied by an informed representative from your organisation who will be able to talk about the entry: how research was undertaken, how the work progressed and any issues that arose during the project. Please provide a contact name within your organisation. (If suitable arrangements cannot be achieved the Entry may be held over until the following year)

9. Contact name within your organisation?

General requirements

10. Safe access

Please note that it is assumed that the making of this entry authorises the judges to safely take photographs of it (and its immediate surroundings where necessary) for the purposes of the competition. If any important areas are outside normal public access it is required that safe access be provided and should be detailed below, as should also any signing-in requirements

11. PPE (Personal Protection Equipment)

Will PPE be provided if required and if not, what is required by the Judge to safely undertake the inspection?

4 PLAQUES

If this entry receives an Award, please state the correct titles for A and B:-
(NB – please précis as space is limited on the plaques - there is a limit of 50 characters for each!)

12. A. of the entry

13. B. of the entering organisation(s) to appear on the plaque

14. C. Duplicate plaque(s) required: number

Duplicate plaques may be requested when the entry form is submitted. This constitutes a formal order and cannot subsequently be cancelled. Each plaque costs approximately £330 + VAT

15. D. Name of authorising person

5 ENTRY MATERIAL

Please note that all materials submitted with this entry become the property of the organisers and may be used, together with any photographs taken, for publication in the media unless the Joint Chairman of Judges, Clive Baker is notified that their return is requested.

6 ABOUT THE ENTRY
